INT. DANA'S APARTMENT - SAME TIME

A beautiful girl, DANA, exits the bedroom wearing a tiny skirt and a top that's little more than a bra. Her equally gorgeous, though somewhat more curvy friend, HEATHER, watches her from the couch.

DANA

I could probably wear this to Kress and not be the sluttiest girl there.

HEATHER

Not even in the top ten.

As Dana looks herself over in the mirror.

HEATHER (CONT'D)

I thought you said you wanted to just dance and have fun tonight, and look at you checking yourself out.

DANA

Hey, I dress for myself. I'm not looking for a guy tonight, trust me.

HEATHER

That's what you said last Friday, and I'm still cleaning the-guy-you weren't-looking-for's piss off the toilet seat.

DANA

Sorry about that. I really shouldn't have that ninth drink. I think it may impair my judgment.

HEATHER

Well, in case you have nine again tonight, could you please go back to his place? It'll allow you to make your exit when you need to.

DANA

True... Remember that guy I brought back from Kress a few weeks ago? He wanted to stay over, so I told him I had to be at work at 7. Fucker didn't even care! So I had to set the alarm for 6, walk out with him and fake going to my car.

Boys + Girls Guide to Getting Down

40

DANA (CONT'D)

As soon as he drove off, I got
right back in bed.

HEATHER

You could have just kicked his ass
out the night before.

DANA

Nah. I'm occasionally a slut, but
I'm never a bitch.

INT. CHAD'S APARTMENT - NIGHT

Chad enters with Dana. She is not impressed.

DANA

This is your penthouse?

CHAD

I told you, my house is being remodeled.

She sees CHAD'S ROOMMATE is passed out on the couch with his pants undone and porn on the tv.

DANA

Eww. You have a roommate?

CHAD

That's my assistant.

DANA

Wait, what do you do again?

CHAD

Umm, bank stuff. It's really boring.

DANA

I don't know, it's getting late. Can you give me a ride back to my place?

CHAD

Well, I'm really fucked up right now, I really shouldn't drive.

DANA

It's fine, I'll drive your car.

CHAD

Do you drive motorcycles?

DANA

What? I'll drive your car. The one you just drove me in?

CHAD

Look, I'm gonna be honest with you. You're so beautiful. I just really wanna do this cocaine with you.

DANA

Ok. Where is it?

1/2

CHAD
Right through here in my bedroom.

DANA
I am not having sex with you.

CHAD
Wow. I'm like offended right now.
I am so not that guy.

DANA
I just want to be clear.

CHAD
No, totally.
(beat)
But handjob, though, right
