

SCENE 1

EXT. 71ST STREET - DAY

Chris and Nina walk together after karate class, with her nanny and her little sister trailing behind them, Chris pushing his scooter.

NINA

Girls mature faster than boys.

CHRIS

(laughing)

Is that a fact?

NINA

Actually I think it is.

CHRIS

That's completely made up. Boys are so much more mature than girls.

NINA

This isn't a matter of opinion. There were studies. Girls speak first. They walk first. I see it in my little sister's class. The boys her age all seem retarded.

CHRIS

You are such a loser.

NINA

Truth hurts my friend.

CHRIS

There is absolutely no reason I shouldn't be able to get my yellow belt in a week.

NINA

You don't take it seriously.

CHRIS

Take it seriously?

NINA

You're not focused. You think you're this natural. You don't practice.

CHRIS

I practice.

NINA
When?

CHRIS
All the time.

NINA
You should practice with me. You'd get better.

CHRIS
Fine, let's practice.

NINA
Name the time.

CHRIS
I don't care. This afternoon.

NINA
Fine.

CHRIS
Great.

NINA
Oh, I forgot. I have to do this one errand. I, um, I'm supposed to be this flowergirl in a couple weeks and I have this fitting. It's going to be like five minutes I promise.

CHRIS
Classic female move. The bait and switch. My mother's conned me into many a shoe stores with that one.
