

JASON

I don't think there's any NO's on restaurants, maybe like a French Bistro, but even then I feel like we'd have a good time at a French bistro -

PAUL

Yeah, I think so too...

JASON

DO – definitely a steak house -

PAUL

Absolutely -

JASON

That's a great, great guy outing...

PAUL

What's a maybe?

JASON

Maybe...?

PAUL

Japanese food?

JASON

Oh, like a Vegan joint.

PAUL

Um-huh.

JASON

You ain't gonna catch me in no vegan joint, Jack!

PAUL

A DON'T would probably be Sal's Testicle Emporium.

JASON

Mmmm...

(beat)

JASON

What about a nice game of outdoor basketball?

PAUL

That's, that's... as DO as you can get.

JASON

Yeah, you can totally DO that.

PAUL

What's a maybe?

JASON

A maybe? Is a hike. A hike can be OK, but it's a little date-ish, isn't it?

PAUL

What about a kinda of a, rollerblading, or the grass skates...

JASON

Rollerblading, no, no rollerblading, is.. no, no, is a DON'T

PAUL

That's a don't?

JASON

Yeah.

(Beat)

JASON

My don't would be ah, um, like homosexual sex in the sauna

PAUL

My don't would be uh, don't let your buddy be the second guy to climb the rope

JASON

Ooh, interesting. My DO would be the uh, the healthy panini stand -

PAUL

What?

JASON

Yeah, the healthy panini.

PAUL

The healthy panini?

JASON

Yeah, usually there's the little place in the gym where you can go eat -

PAUL

You know what's so weird, I was thinking about grade school gym class..

JASON

No, no, I was thinking about of like

PAUL

Equinox

JASON

Yeah, the proper gym

PAUL

Which I think proper, the way you intended that?.. I live in the 50s.. I'd say my DO is tossing around the old medicine ball...

JASON

Yeah, yeah... What kind of men are going to elementary school gym class you pervert?

PAUL

What's wrong with going to an elementary school gym class, climbing a rope?

JASON

That was truly ridiculous!

PAUL

What was... I think I misunderstood the question... ok, sweet sweet hanging.

JASON

Yep.
